

Azargul Nazari

WEB DESIGNER & Graphic Designer

ABOUT ME

My name is Azargul Nazari, I am a web developer, programer and a graphic designer.

A 24 years old web developer from Afghanistan, currently living in Jeddah, and studying computing science at KAU.

I have 1 year of experience designing and creating webpages, developing Android apps and graphic designing. I also interested in HPC (High Performance Computing) research and parallel programming.
